Report of the Committee appointed to enquire into the Malnad Development Scheme.

Q.—272. S. S. KOLKEBAIL (Brahmavar).—

Will the Government be pleased to state :—

(*a*) whether they had received any report of the committee constituted by the Central Government to enquire into the Malnad Development Scheme;

(*b*) if so, whether they will place a copy of the report on the Table of the House;

(*c*) whether and if so, the steps taken to implement the recommendations of the said committee either partially or fully;

(*d*) if not, why?

A.—Sri H. S. RUDRAPPA (Minister for Agriculture).—

(*a*) A copy of an interim report of the committee was received by Government.

(*b*) The report is confidential. It cannot therefore be placed on the Table of the House.

(*c*) The Government of India have not yet taken a decision on the recommendations made by the committee and no steps have yet been taken to implement the recommendations.

(*d*) *Vide* answer to (*c*).

Sri S. S. KOLKEBAIL.—In answer to (*b*), it is stated that the report is confidential. May I know whether at least the Minister has seen it?

Sri H. S. RUDRAPPA.—I have seen it, Sir.

Mr. SPEAKER.—It is confidential only to you and to me; not to the Treasury Benches.

Sri S. S. KOLKEBAIL.—At least can we get a paraphrase of that report?

Sri H. S. RUDRAPPA.—Sir, the main recommendation of that committee was to constitute a Malnad Development Board and a Malnad Development Fund. The total amount of expenditure that had to be incurred according to the interim report was four crores. The Government of India, Agriculture and Food Ministry made a recommendation to this effect and the other Ministries who had to share the expenditure, did not support this recommendation for paucity of funds. Therefore, the scheme was given up.

Sri B. N. BORANNA GOWDA.—Do Government mean implementing the Improvement Scheme in future?

Sri H. S. RUDRAPPA.—What happened formerly is this, Sir. The malnad area was distributed among so many States. All the States did not contribute or make a joint effort to pool their resources and have a joint scheme. Now, most of the area has come under the administration of the Mysore Government. We will try to have an all round development scheme for this area and take up the work.

Sri B. N. BORANNA GOWDA.—At least will the Mysore Government allot some money for the improvement of Malnad area?

Sri H. S. RUDRAPPA.—Mysore Government spent more than a crore of rupees for the improvement of malnad area, for improvement of communications, improvement of health and also for starting some industries and so on.

Sri B. N. BORANNA GOWDA.—Sir, is this amount not considered to be too meagre for the development of malnad?

Sri H. S. RUDRAPPA.—Apart from other developmental works that have been taken up by the Government, this is a special amount spent for these purposes.

Sri G. A. THIMMAPPA GOWDA.—Is that report not available for the public?
